I hope everyone had a wonderful holiday season and that you're ready to tackle a bright (hopefully) new year! Once again, we are working our way toward our annual convention on June 20-23, 1991 at Festival Hall. Jack Pryor is General Chairman and can use all the help and support you can give him. There are many different committees where help is needed and the best way to enjoy our organization is to be involved. It is a lot of fun and very rewarding in many ways.

With the change to my work schedule, for the better, I plan on making visitations to the various member clubs soon. We must keep our clubs active in order to keep our hobby alive and well, especially in these troubled times. Please show your support for your individual clubs by keeping up attendance and participating in the various activities

These are very precarious times we are living in. Our hearts go out to those of you with loved ones in the Gulf war and I hope everyone, despite how you may feel about war, will support our men and women who are serving their country.

The members of the board of directors of the M S N A met at the Grace United Methodist Church at 2:00 pm, Sunday 7 October 1990. In attendance were:

Bobbie Vaughan - President	Bill Lenz -Baltimore Coin Club
Jack Pryor - Vice President	Jim Boswell-Colonial Coin Club
Bill Ayres - Secretary	Jim Besley - Prince George's
Bill Sacks - Treasurer	Dora Besley /County Coin Club
Pete Burris - Past President	

The proof sets (left over door prizes) from our show have been sold.

Our June dates for 1991 have been confirmed, in writing, from the Festival Hall. Convention Center later asked if we would consider releasing them; naturally the reply was no.

Krause Publications still has us listed for both dates. They will be contacted and advised to drop the May dates.

Pete will check to see what options are available at the Festival Hall and the Convention Center; everyone else will keep on the alert for other locations we might consider for 1992.

An award for the members who worked is still pending. There was considerable discussion of the form it might take. The matter of the checks for the clubs was resolved today; they have been made out and Bill Ayres will see that they are delivered to the clubs.

Checks have been sent to BARC. The one for the Children's Cancer Fund has not yet been delivered.

FALL SEMINAR: Glenn McConnell, from the Naval Academy Museum, will speak on the medals in the museum and their display. Sylvan is getting out of being second speaker by furnishing someone to take his place. We have to procure our presentation items for our speakers.

We voted to pay the church $15 for the use of their space today.

Our printer, ZAP, has moved from Magnolia to Middle River.

OUR 1991 SHOW:

We will order one additional roll of yellow plastic for the table covers.

We need to get with Paul and determine table rates for next year. Expenses are up in several areas and may go up in others and, on the other hand, the market is bad.

Security is an area that needs a hard look. Jack is to contact Mike and get an estimate of exactly what is programmed. We may have to cut some areas back in order to be able to afford it. We know that the city police, which we are required to have in order to rent the hall, is going up.

Denwood Kelly is looking for a bill to use for our souvenir card.

Walt Kitner will be asked to be exhibits chairman.

An invitaiton will be made to Ken Hallenback. He has been invited in the past but always found other committements.

The list of taxi numbers, events, diners, etc. for attendees will have to be made up.

Bryce Doxzon has been asked to chair publicity.

Bobbie will get the police permit for the raffle so we can order the tickets.

Prizes will be a $50. gold; $5. gold; a proof silver eagle and an uncirculated silver eagle. (note the value and not the weight on the gold).

Bill Ayres to order 2000 tickets.

Bill to order 3000 wooden nickels and order them early.

Millard Hajek will be approached to see if he can prepare our elongated for us.

We will order the same set up for elongated's as last year. We will let Ray roll clad quarters (but no silver). We will have silver ones made for our educational forum only.

There is a local potential auctioneer by the name of Irving Sass.

We will consider having flyers made up and posted in stores, etc, as we have done in previous years.

Jack needs a copy of the 1990 flyer so he can see what can be done.

Our next meeting will be held on 2 December.

The meeting of the Board of Directors of the MSNA convened at 2:15 p.m., Sunday, 2 December 1990, at the Grace United Methodist Church, North Charles St, Baltimore, Maryland. In attendance were:

Bobbie Vaughan - President
Jack Pryor - Vice President
Bill Ayres - Secretary
Bill Sacks - Treasurer
Pete Burris - Past President
Bryce Doxzon - Catonsville Coin Club
Jim Boswell - Colonial Coin Club

Our seminar was poorly attended: thirteen participants. Maryland TAMS took the award for having the most members in attendance.

The matter of recognition to those who worked on our show was resolved. We will present each with a personalized mug. Bobbie will make the arrangements.

APL's check for their participation has as yet not been delivered.

Jim reported that the Colonial Coin Club's meeting dates will be changed effective 1 January 1991. They will then begin meeting on the 2d and 4th Mondays of each month at the library.

There has been some problem contacting Shirley Howard with regard to the delivery of our check to the Children's Cancer Fund. An effort will be made to contact the group directly and see if she is still with them.

Table fees for our 1991 show have not been locked in - no special problem, we just haven't had the time to sit down and look at the overall picture. We will make contact with Paul and make that decision shortly.

Bill Lenz has agreed to chair the educational program for the convention.

Wooden nickels are on order.

As a matter of record: Paul Finck's friend, Tom Pautonovich died on Wednesday 28 November.

Again, for 1991, there will be no meeting rooms available to us in the Convention Center and we will have to arrange with the Holiday for meeting space. Bill Lenhart is the current manager of the Holiday and we have booked 75 rooms for the show.

Our 1992 dates are more or less locked in for 19-21 June.

Mid Atlantic will again be our decorators. We have ordered one more room of t yellow plastic for the table covers.

MSNA - Directors meeting of 2 December 1990

We were advised that Bob Roy has the dinners on order for the Show.

Bill Ayres will serve as chairman of the set-up committee.

Bill Ayres will contact Larry Gentile to ask him to serve as the Chairman.

Clif Mumford will serve as Breakfast Chairman.

Millard Hajek is to be contacted to be sure everything is in step for our elongateds.

Auction: nothing done in this area.

Pete will arrange for the hook up of telephones.

The Festival Hall contract is not yet in our hands although we have their verbal agreement.

A Registration Chairman is needed.

Jack raised the question as to whether a fax machine would be a practical idea. No action taken.

The matter of vertical signs and banners - outside the hall - was raised and discussed; also no further action at this time.

Carol Pryor is looking into the possibility of a Friday night boat trip.

Jack also raised the matter of the anniversary of the Bill of Rights which occurs on 17 September. He asked for support so he could make in an effort to have a commemorative coin struck to celebrate the 200th anniversary. Consent given to state that MSNA supports this effort.

Jim Boswell questioned as to whether or not anything has been done toward the 1991 ANA in Baltimore. The answer is negative. Apparently the ANA is proceeding more slowly with future dates then they did a few years ago.

Jim also questioned as to whether or not we are going to do anything with the silver medals we still have. At this time - continue holding them was the decision.

The next meeting of the Board will be held on Sunday, 10 February 1991.

PRINCE GEORGES COUNTY COIN CLUB held a picnic, as they describe, at "Scenic" Grady's Walk. The Besleys hosted the event. 1990 was PGCCC's 25th year as a member of ANA.

BALTIMORE COIN CLUB's special fall affair, with visitations from the Hanover Numismatic Society, Colonial Coin Club and "oldtime" members of the Club had about 60 attendees. On Oct 2nd, 5 members of the BCC made a visitation to the Colonial Coin Club where they enjoyed a presentation by Mr. Glenn McConnell assistant curator at the Naval Academy Museum. At their 18 Oct meeting Jim McCouch, dressed in a reporduced typical 21st Virginia Regular uniform gave a talk on, and displayed equipment used by the Confederate forces. On 18 Nov Baltimore Coin Club held their annual show. Every table was sold and it was one of the best attended in the area in recent years.

WESTERN MARYLAND COIN CLUB held their 60th semi-annual coin show on 10/11 November. An analysis was done on attendees. They came from 69 different towns and cities from six different states. Tables were sold out and there was a brisk trade in collectors coins, gold & silver bullion and baseball cards. Bourse Chairman George Waingold said it was a very successful show.

FROM THE PRESIDENT:

Welcome to the 19th annual convention of the Maryland State Numismatic Association. I hope you will take full advantage of the many different aspects of the convention. We have many and varied bourse dealers with, hopefully, anything you would desire for your collection.

Our educational forum will be held on Saturday and will feature speakers Ray Dillard (elongateds) and Claud Murphy (obsolete currency). There will be a special souvenir of a silver elongated quarter given out at the forum (very limited amount-a collector's item!), plus there will be refreshments following. For the young collectors, we have Larry Gentile coordinating our Young Numismatist program, which includes many handouts, a special auction and lunch at Burger King -- all at absolutely no cost to the youngsters or their families. It is usually a fun time for the kids!

This marks the end of my second term as President and it has truly been my pleasure to serve you. I wasn't able to accomplish as much as I hoped - mainly in making club visitations - due to my new job and changeable hours. What visitations we were able to make were very enjoyable and I hope the incoming officers will be able to continue the effort of keeping in touch with all our member clubs.

I encourage everyone to become more involved in their hobby and with their local clubs. We also will be having the 1993 ANA Convention here in Baltimore and plans are already being worked on. If you are interested in helping to work for our convention or the ANA convention, just contact one of the officers - we will gladly give any information you need or point you in the right direction. The best way to enjoy your hobby is to be involved - with involvement comes fulfillment --- and fun!!!!!

Thank you for the privilege
to serve you

Dedicated to attaining knowledge and fulfillment in Numismatics

The members of the board of directors of MSNA met at the Grace United Methodist Church on sunday February 10, 1991, at 2:00 pm. In attendance were:

Jack Pryor - Vice President
Bill Ayres - Secretary
Bill Sacks - Treasurer
Pete Burris - Past President
Bryce Doxzon - Catonsville Coin Cl
Bob Sherrod - Perry Hall Coin Club
Shirley Sherrod - Perry Hall Co.Cl

The Johns Hopkins Childrens Fund received our check and we have received an acknowledgement from Shirley Howard.

The check to the APL Coin Club has not cleared so we do not know if Bob delivered it yet or not.

Jack was given a check so he can get our cups on track.

Wooden nickels have arrived and are being distributed.

The Memphis Paper Money show has changed their date so we now have no major compeditors on our dates.

Larry Gentile will chair our YN program. Gordon Hunt will be his young coordinator.

Jack is to deliver our deposit to the Convention Center.

Each table at the show will have it's own outlet. Pete will talk to the people to see if something can be done. We don't need that much power. Half of that would be plenty.

Our telephone numbers for the convention will be: 244-8078 in the office and 244-8079 at the registration. We will need to procure two phones to use.

We have an agreement, but no contract, with Mid Atlantic decorators. We just haven't gotten with them yet except over the phone.

We need to be sure Blaisdel is locked in with us for the set up.

We need a property chairman to keep track of cases and lights during set up.

Millard Hajek has designed our elongated. It features the fronts of two locomotives of the 1800's head to head so to speak. Pete is going to contact Ray Dillard. He will order 1000 cents; 100 dimes and 60 silver quarters. We will request Ray not roll any other silver quarters then these; regular quarters yes, silver - no.

Jack is going to contact Burnett Anderson; the Spider Presss, and the souvenir booth to be sure everything is on track in those areas. Jack and Carol are going to work up something in the way of a boat trip one evening in case anyone is interested.

Nominatting committee for the year will consist of Pete Burris - Chairman and Bob Ruby.

Bill Sacks - Can we have additional dealers on sunday to fill the tables vacated by the regular dealers.

MSNA - Board Meeting of 10 Feb 91 - continued

Bryce reported everything is on line with publicity and proceeded to give an in depth report on what is being done.

Our flyer has to be in the printer's hands by May 15th.

The certificates which the dealers have to turn in if they don't have trader's licenses for the state have to be procured.

Ed Rochette sends his regrets: he has another engagement which he must attend.

Our speaker's banquet will be held in the Holiday's Harbor West. Bill Sacks is to send a letter to the Hotel to open our account with them for charging and payment purposes.

We need to check to see if the BWI shuttle could make a stop at the Festival Hall on each trip.

The lunch room on the floor will be open 10:00 am to 7:00 pm Friday and Saturday and 10:00 am to 5:00 pm on Sunday.

Maryland Tams paid an additional $200 on their book debt to MSNA which leaves an unpaid balance of $450.

Ed Rochette has requested our support in his bid for ANA President. We voted in favor of this.

Bill Ayres turned our raffle tickets over to Jack for distribution (once we pick a chairman).

Advertising - Bryce reported copies of correspondence have been forwarded to Pete, outlined future correspondence and displayed a Sign-A-Rama brochure.

Licenses and insurance have been taken care of. Traders permits will be taken care of by Pete and Bobbie and distributed at the show. Raffle prizes will be picked

up by Jim Boswell after he checks with Bill Ayres to see if a price was prearranged.

The Baltimore Coin Club Annual Banquet had more than a great view and fine dinner, it also had a nice suprise.

Chairman, Harold Jones made arrangements for a stuffed Chicken and Flounder dinner.

The speaker, Frances Flanigan from The Alliance for The Chesapeake, spoke on the conditions of the bay and where we want to go. This was very interesting and informative.

At the closing of the Banquet the surprise was sprung. A beautiful 9x 12 Plaque with a 6" Quartz clock with this inscription was given to:

MARVIN G. " PETE " BURRIS
IN APPRECIATION OF YOUR EXTRAORDINARY
DEDICATION AND HARD WORK

Mr. Burris, a 16 yr. member of Baltimore Coin Club thanked Mr.Jones for sponcoring him, Sylvan and Lois for being the designers, plus all the membership for the plaque.

The Club now has a New Gavel

The Joseph A. Clarke Memorial Gavel is now in the able hands of our current president Jim Besley. This is in memory of his founding the WMPG Tri- Club and was given to the Prince George's County Coin Club in addition to the distribution of Tri-Club funds by the Tri-Club Board.

HANOVER COIN CLUB

The Hanover Coin Club invited the Baltimore Coin Club to their May 7,1991 meeting; this is done each year with Baltimore reciprocating in the fall. The Ham Dinner was fine. The speaker, Merle Hess, did an excellent presentation on European Crowns. Merle utilized slides of his own material, which he had made, to illustrat the points he was making. After the talk Merle allowed members to view the actual Crowns.

Baltimore had 10 visitors at the meeting and as always enjoyed this meeting with our Pensylvania friends.

WESTERN MARYLAND COIN CLUB

April 9, 1991 was a most festive occasion with superb hospitality at the Western Maryland Coin club in Cumberland. Three MSNA members visited with the club at the Silver Leaf Buffet in the Braddock Square Shopping Center. The meeting was the club's "Ladies Night" and the guest speaker was Bobbie Vaughan, MSNA President, who spoke on keeping the hobby alive thru member participation and involving youngsters. Pete Burris and Bill Sacks went along for the ride to enjoy a very delightful evening of fellowship (plus they couldn't pass a good opportunity to plug the convention and push raffle tickets!!!)

MARYLAND STATE NUMISMATIC ASSOCIATION, Inc.
Nineteenth Annual Convention • June 21 - 22, 23, 1991

This attractive 6¼¢ note, bearing the printed date May 1st 1841, was issued by Lewis Milhau, the proprietor of the Colonnade Baths & Reading Rooms and an adjoining tavern, at the corner of Saratoga and Davis Streets in downtown Baltimore. Lithographed by Edward Weber of Baltimore, this note and a 12½¢ mate are the only ones of this design on record. Based upon Baltimore city directory listings, Milhau had moved on to other endeavors by 1846, being listed as the proprietor of the Washington Coffee House at nearby 2 North Gay Street. One John Finley was listed as the proprietor of the Colonnade Baths in 1847. By mid-1850 the bath house and both its former proprietors had passed from the recorded scene. The rarity of this note is enhanced by the nicely drawn vignette, one of the few views of early Baltimore buildings to be found on scrip of the "hard times" period.

Your President's Message

The June Convention and Coin Show was a success because of the support of the members of MSNA and the dealers who took tables. We tried to keep costs down to the minimum and we will continue to do so next year. We are able to pay the deposit on next year's show and our success will depend on the dealers, the support of the members and the numismatic market. The rent for Festival Hall has already increased 10%

My personal thanks go out to each of the committee chairs and to all of the volunteers who helped with set-up, registration and take down and to all who attended including Mr. Schaefer, Ken Hallenbeck, etc.

We will not raise the dues at this time and we remain the best kept secret in numismatics. Our dues are a real bargain and we could and should double our membership. We can do this if each member signs up one new member. If each member gave his or her spouse a M S N A membership it would go a long way to doubling the membership.

We will try to have more women active in M S N A since Bobbie Vaughan broke the ice. Our thanks go out to Bobbie. We need more young and/or new blood. We have to get more youth in numismatics and M S N A. We need another dozen active young members like Gordon Hunt. We need to get more dealer members and more Maryland dealers to support our coin show. Finally we need more members to commit to a MSNA life membership.

We have to get a wider participation from member clubs and we have to visit more member clubs. We should increase the number of Club members.

The good news is MSNA is alive and well and looking forward to next year's convention and coin show; June 19-21, 1992. We have the last dates given out for Festival Hall before it is disassembled and moved. Let's try to fill the hall and go out with a bang; making a buck!

MARYLAND STATE NUMISMATIC ASSOCIATION, INC.
Post Office Box 6533, Sparrows Point, Md. 21219
Dedicated to attaining knowledge and fulfillment in Numismatics

The annual public meeting of MSNA was held at 2:00 p.m. at Festival Hall on Sunday, June 23, 1991. In attendance were:

Bobbie Vaughan - President	Jack Pryor - Vice President
Bill Ayres - Secretary	Bill Sacks - Treasurer
Glen Burger - Baltimore Coin Club	Jim Boswell - Colonial Coin Club
Walt Kitner - Baltimore Coin Club	Pete Burris - Past President
Bryce Doxzon - Catonsville Coin Club	

ANA President Kenneth Hallenbeck sat in on a portion of the meeting.

Secretary Ayres read a condensed review of MSNA meeting minutes and business over the previous year.

Treasurer Sacks said that the convention finances will probably break even; with 78 tables sold, it appeared that the show would fall into the red.

General Chairman Pryor thanked all of the convention workers, relayed some dealers' comments about the show, and stressed the need to persuade more local dealers to buy table space at the show. He also had the contract for the 1992 convention on hand and noted that a deposit was needed by July 17.

Jim Boswell reported two outside offers: one to buy one hundred 1991 elongated cents, the other to buy all unsold 1990 souvenir cards printed by the Washington Plate Printer's Union. It was voted to sell the 100 cents for $25.00 postpaid. A price for 50 of the unsold souvenir cards was determined for Jim to relay to the prospective purchaser.

Secretary Ayres suggested contacting the ANA about getting past president's medals engraved for Pete Burris and Bobbie Vaughan.

Jack Pryor reported an offer for Gordon Berg to make a donation to MSNA if it can raise volunteer help for the setup of his next spring show in March 1992.

A $25.00 donation toward a motorized cart for Earl Blaisdell was approved.

Jim Boswell proposed an official minutes recognition of Bill Ayres' long-term work on the MSNA's behalf.

The MSNA election results were read and the new officers were subsequently installed: Jack Pryor, President; Glen Burger, Vice President; Bill Sacks, Treasurer; Bryce Doxzon, Secretary.

Respectfully submitted,

The MSNA Board of Directors met at 2:00 p.m. on July 7, 1991 at Grace United Methodist Church. In attendance were:

Jack Pryor - President	Pete Burris - Past President
Glen Burger - Vice President	Bobbie Vaughan - Past President
Bill Sacks - Treasurer	Jim Boswell - Colonial Coin Club
Bryce Doxzon - Secretary	

Bill Sacks supplied copies of the convention costs ledger to all board members and said that the 1991 convention may actually make a little money; this point will be clear once all bills have been paid.

In discussion about getting its regular dealers to sign up early for the 1992 MSNA convention, Glen Burger showed an example of a CCE teletype message sent to dealers to encourage participation. He suggested a discount to dealers who sign up early and an early CCE promotion of the 1992 convention.

Jack Pryor noted that Pam Carrington is the new account executive for the Baltimore Convention Center. He also said that the contract for the 1992 convention will be signed and sent in with the deposit by July 17.

Bill Sacks reported that the Lord Baltimore Radisson Hotel would like to be the host hotel for the 1992 MSNA convention and have a MSNA board person look over its facilities.

The problem of early-leaving dealers was discussed with the suggestion of placing the early exiters to one side or the back of the bourse and concentrating the longer staying dealers in the center. Paul Singleton, it was agreed, would have to be consulted about this idea. A fee for Sunday-only dealers was discussed but not acted upon on the belief that it was unagreeable to the dealers already there.

There was preliminary discussion of host club donations and recognition of individual convention workers, but action was postponed until convention profits, if any, are tabulated. The ANA, it was suggested, should be contacted to see if certificates of appreciation are available.

The remaining convention educational forum elongated silver quarters will be sold for $2.00 apiece.

Jim Boswell said he has not heard further from either party offering to buy groups of 1991 elongated cents or 1990 souvenir cards.

Gordon Berg's offer for a donation to MSNA in exchange for show setup help was tentatively rejected on grounds of less availability of willing help for a commercial show than for an organization-sponsored event.

The need for a new editor or assistant editor of the Maryland Numismatist was briefly discussed.

The John B. Henry award will go to the Harford Coin Huskers.

The MSNA board nominated Pete Burris for MANA's Alex Kaptik Numismatist of the Year award.

During the upcoming 1991 ANA convention, Secretary Doxzon was asked to make inquiries to the ANA board about MSNA's part in preparing for the 1993 ANA convention.

The meeting adjourned at 3:35 p.m.

Respectfully submitted,
Bryce F. Doxzon
Secretary

Dedicated to attaining knowledge and fulfillment in Numismatics

The MSNA Board of Directors met at 2:00 p.m. on August 25, 1991 at Grace United Methodist Church. In attendance were:

Jack Pryor - President	Bill Ayres - Harford Coin Huskers
Bill Sacks - Treasurer	Pete Burris - Past President
Bryce Doxzon - Secretary	Carol Pryor - Baltimore Coin Club

Bill Sacks reported a modest 1991 convention profit of about twelve hundred dollars. The board voted $50 donations to six clubs participating in the convention: Baltimore, Catonsville, Colonial, Harford, APL and Maryland TAMS. The board also voted $50 donations to the Johns Hopkins Children's Cancer Foundation and to the Baltimore Association for Retarded Citizens (BARC).

Once a complete list of 1991 convention workers is drawn up, certificates of appreciation will be prepared and presented to them in thanks for their help.

To curb the cost of phone usage at the next convention, just one phone line, with two extensions, will be employed. The feasibility of this setup will be determined with the phone company.

Working dates for the 1993 MSNA convention are June 17-20, with June 17 as the setup day. Pending further news about funding for the Baltimore Convention Center expansion, the tentative site will be Festival Hall. The Convention Center will be checked with to determine what shows it has there during June 1993.

Further discussion on providing setup help for Gordon Berg's next spring show was postponed pending observation of Berg's dealings with the Baltimore Coin Club as they provide registration desk help at his upcoming fall show.

The MSNA Fall Seminar will be held October 27 in conjunction with the Associated Coin Clubs show in Middle River. Dave Thaxter will be one of the speakers. A seminar chairman is needed as of this time. A flier may be sent out to encourage attendance. Each convention-participating club will be asked to send a representative to the seminar to receive its participant check. Pete Burris said he may arrange for a BARC representative to be there to accept MSNA's donation.

A scheduled September 8 meeting between ANA convention coordinator Ruthann Brettell and the prospective local 1993 ANA convention organizing committee has been postponed until November.

The meeting adjourned at 3:50 p.m.

Respectfully submitted,
Bryce F. Doxzon
Secretary

MSNAS FALL SEMINAR

Martin Bvld & Compass Roads, 2:00 pm, Oct 27th. Free: Refreshments

DAVID L. THAXTER, recently retired from the Air Force after 32 years service, who now operates a Coin & Baseball Card Supply business (Metro Supply Co.) in Glen Burnie. A member of ANA and MSNA for quire a few years Dave got his start around '52 when he had a newspaper corner in Los Angeles, California and began checking his change for the rarer ones. During his tours overseas he developed an interest in foreign coins & paper which eventually centered on the German inflation money of 1917-1923. A relative in New Jersey got him into a "get rich quick scheme" around 1966 and while that didn't work out it was so much fun he couldn't quit and became a part time dealer. His love of the hobby keeps him on the go and there is seldom a show in the local area where you won't find him with a table. His fair dealings and love to talk coins assures the corner he occupies will be a busy one. He is going to talk today on his special love the German Inflation Money and will display some unusual pieces.

TOKENS: "Where you find them is were they is":

William Sacks, a ten year member of the Baltimore Coin Club and five years as a member of MSNA. Current treasurer of M S N A. Started collecting some fifty years ago when he rode a milk truck in company with his father. Got interested in Transportation tokens around 1967 when he found one from Massachusetts in a batch of coins. Once interested he began searching for them in earnest and now has pieces from all fifty states + some other countries. His selection now includes approximately 15,000 of which his pride and joy is the one he found in a parking lot flea market near Delaware for which he paid 50¢. Since that time he has received offers from $400 up. It's a token from Texas and so far as he knows is only the 2nd one ever found.

Bill has also been a very active supporter of the Boy Scouts. Around 30 years ago Bill owned a truck and got volunteered to help with the church scouts. Several years later Bill became an assistant scoutmaster. The scoutmaster never quit so Bill moved on to become coordinator between the scouts and the church. At this time he serves as commissioner of the Parkway District.

Our Member Clubs Report

WESTERN MARYLAND COIN CLUB is quick to invite anyone to one of their meetings at the South Cumberland Library at the intersection of First and Race Streets; Second Tuesday of each month. Their July meeting was to be devoted to having the members tell how they got into the hobby however Al failed to tell how it went. Sounds like a good idea for a change of pace at meetings doesn't it? Their annual picnic was changed to an Ice Cream Social; less work; we know that problem all too well. Don't forget their fall show - 9 & 10 November. It's always a good one to go to.

INTERSTATE COIN CLUB lost their Labor Day weekend show date to a reunion of the 29th Division. This may occur again in 4 or 5 years but the club hopes their normal dates will be available to them most years. This is the first time this has ever happened.

PRINCE GEORGE's COUNTY COIN CLUB; at their June meeting, were treated to a program on half cents and early coppers by Paul Ligor. Special coins were used to supplement the presentation.

COLONIAL COIN CLUB had members of the Baltimore Coin Club attend their April meeting for their annual visit. Speaker for the event was John Mellin who writes a weekly column Called Anne Arundel Vignettes, for the Annapplis Capitol and the Maryland Gazette (the later being the nation's oldest newspaper). The presentation centered around some of the people who were involved with the earliest recorded efforts to produce coins and paper money in Md.

BALTIMORE COIN CLUBS "The Coin Courier" is now being issued under the editorship of Larry Mitchell. Ten of the BCC's members visited the Hanover Numismatic Society on 7 May for their annual visitation. Merle Hess gave a slide presentation on European Silver Crowns. Each of the guests was given one of the Hanover Numismatic Society's medals from the previous years. B C C's annual crab feast was held at the Double Rock Park on 24 July and a great time was had by all; crabs, corn, watermelon, burgers, dogs, etc. to eat and a lively game of horseshoes. For those of a less active bent there was a pleasant stroll thru the woods and beside the stream. B C C's YN, Nathaniel Fick attended the A N A Summer Seminar. An excellent slide presentation on Large Cents by Millard Hajek enlivened our July 18th meeting. Bill Sacks served as President Pro Tem for the Aug 15th meeting as both the president and vice president considered the ANA Convention of more importance than our club meeting. Also, on the 15th, we were treated to a slide presentation by Pete entitled "Name that Commem" and was that ever difficult to do. The membership didn't score too high.

MEMBER CLUBS

A real tip of the hat for doing things goes to the CATONSVILLE COIN CLUB. Phil Greenslet book Best of Show at the Canadian Numismatic Association's Convention and he also served as exhibits chairman for the 1991 ANA. Both Greg & Bryce served as exhibit judges at ANA and Bryce took 2nd place in "Private Mint Issues After 1960" category.

MARYLAND TAMS installed their new officers at their meeting held in conjunction with the MSNA Convention. Those now serving are:

Bryce Doxzon - President
Greg Ruby-Vice President
Jan Pugliese - Secretary
Pete Burris - Treasurer
Jim Boswell - Director
Ed Craig - Director

A. Vernon Taylor Literary awards were presented. Millard Hajek took first place in the individual article and continuing series classes. Russ Sears took 2nd in the individual class; Will Mumford took 2nd in the continuing series and Curtis Judge took 3rd.
The meeting on 19 Oct will be held in Lanham at the M A N A show and the winter meeting Jan or Feb, may be held at Glen Burnie - more details at the next meeting.

HARFORD COIN HUSKERS again celebrated the summer with a crab and roast beef feast. Badminton, horseshoes and some good old fashioned gab rounded off a great day.

MSNA SHOW

M S N A's 1991 Convention is now past history and our membership can be proud of having put on another notable show. An outstanding group showed up on Thursday morning and by noon the floor was ready for the dealers. Despite the poor market conditions there were sufficient dealers to put a few dollars back in the treasury after expenses. Our educational forum on Saturday afternoon saw presentations by Claud Murphy on obsolete currency and Ray Dillard on elongateds. Some of the obsolete currency Claud displayed was really obsolete- paper money issued several hundred years ago. Each member attending received a rolled silver quarter with the symbol of the current year on it.
A couple of surprizes awaited us at the Awards Breakfast. Burnett Anderson was our guest speaker & at the conclusion of his talk he presented JOHN B. HENRY, our founder, with a Krause Publication Numismatic Ambassador Award. In addition to the exhibits awards, listed on another page, Jack Pryor received the Henry Westphal Award for recruiting the most new members during the previous year; The Harford Coin Huskers the John B. Henry Membership award and a special award of of recognition for service was made to Bill Ayres.
At the annual meeting the results of the election were reported by Bob Ruby and the new officers are as follows:

Jack Pryor - President
Glen Burger - Vice Pres.
Bryce Doxzon- Secretary
Bill Sacks - Treasurer

Bobbie Vaughan now moves onto the Board as a Past President.

MARYLAND STATE NUMISMATIC ASSOCIATION SPONSORS YOUNG NUMISMATIST PROGRAM

On Saturday, June 22nd, another program was conducted by Larry Gentile, Sr.,from New Rochelle, New York, at the Maryland State Numismatic Association's 19th annual shown and convention. The program was held at the Festival Hall in Baltimore, Maryland. The program consisted of junior and adult speakers, door prizes, a mini-exhibit contest, a numismatic quiz, lunch and a play money auction. Mr. Gentile spoke extensively on the A.N.A. and their upcoming 100th anniversary convention in Chicago, Illinois this year. He spoke on the Y.N. auction with over 500 auction lots which will be auctioned off using only play money notes which all have been earned by young numismatists all over the country. He also spoke on the ANA Roman Coin Project, sponsored by David Cervin of Amarillo, Texas. There were 7 mini-exhibits entitled "My Favorite Medal" with awards going to all exhibitors. Local coin clubs were discussed and Mr. Gentile mentioned how important it was to belong to a local coin club. He also mentioned the importance of books and how everyone should add numismatic books to their coin collecting & also to start a library of books at home; to read and to educate one's self about coins before buying them. He then handed out a few red books to those who didn't already own a copy. He also mentioned about the importance of parents; their role in numismatics, and he thanked all the parents in attendance for bringing their son or daughter to the meeting. A big thanks also went to all the generous dealers at the convention who so generously donated material to the program. The program started at about 10:00 a.m. and lasted until about 3:00 p.m.
